

SIRENA YACHTS 58

€0

Ref: NM643

Location:

Length: 18.58m

SIRENA 58 benefits from the development of its efficient hull underbody, and having the best performance at a wide range of Froude numbers, from displacement mode up to planning condition. She is able to explore all corners of the world, cruising in comfort and safety with low fuel consumption.

The volume inside is quite ample for a yacht of her size. The joinery work built of high quality woods and fabrics, offers variety of options regarding its interior layout to maximize the joy of life at the sea according to every individual's needs.
