Absolutely incredible condition Absolute Navetta 68, she's been seriously looked after and no expense was spared on her.

Always stored in dry dock when not in use, regularly serviced, washed down, polished and etc. – she's always been neat and shiny.

Loaded with additional extras that make this unit extremely comfortable to cruise and live on board:

- Volvo-Penta Dynamic Positioning System + Joystick driving interface + Garmin wireless autopilot remote + Yachtcontroller V.IPS make it an easy ride
- 4 x navigation cameras (engine room, stern, both sides) and 4 x surveillance cameras with remote monitoring
- NEW! 31kWh LFP Lithium batteries+6kW inverters+150A alternators allowing her to run all electric appliances and Seakeeper without generators
- Batteries chargers remote monitoring
- Additional removable stainless steel shower column on the aft platform
- Winter and summer window covers
- Wetspot water purifying system
- Standalone Miele washer and dryer machines
- 8 x AQUALUMA 12LED underwater lights
- Full service in November 2023

We strongly encourage you to visit the boat and see her live – you won't be disappointed!

The boat is now located behind our office, feel free to schedule a virtual/video visit anytime!
